Description

Perseus is a 5 year old bay gelding standing at 16.1 hands. He will most likely top out at 16.3-17 hands like his full brother. He was imprinted at birth and handled on a regular basis. He has had extensive ground training with the Clinton Anderson Method and is has been under full training. He WTC and is broke to ride, he hacks out alone or with other horses. He is a sweet and loving boy and will make a great performance horse for dressage, western dressage, or possible jumping. The intelligence of this gelding is amazing . He has the ability to learn quickly and wants to please which makes him a pleasure to work with. His dam has wonderful performance bloodlines such as Champion Wing Commander, Champion Courageous Admiral, Anacacho, Bourbon, and Denmark bloodlines, as well as his Friesian sires grand-sire Pyt a 4 times Natl Champion, some of his half siblings have made 4 and 5 gaited so he will have talent and movement. All his siblings are performing well in dressage and winning High Point in their breed division. Georgian Grandes are a rare breed. We prefer combining the Saddlebred with the Friesian, this is the perfect blend for all disciplines and makes the perfect sport horse. His full brother stands at 17 hands and is 1300 lbs. Perseus is a diamond in the ruff and will fill out like his full brother who is gorgeous! You can see his full brother Orion on our facebook site Starfire Farm in Georgia. There are only about 900 Georgian Grandes reg. in the US. The breed is recognized by the USEF and USDF for awards. Don't miss out on this sweet boy who has a loveable and intelligent personality. Price is subject to change with more training. Purchase him at this price and have him trained the way you want.
